Louis Ghost

designed by Philippe Starck

A comfortable armchair in transparent and coloured polycarbonate in the Louis XV style: it is the quintessence of baroque revisited to dazzle, excite and captivate. Louis Ghost is the most daring example of the world of injected polycarbonate in a single mould. Despite its evanescent and crystalline appearance, Louis Ghost is stable and durable, shock, scratch and weather resistant. It can also be stacked six high. This article has great charm and considerable visual appeal and brings a touch of elegance and irony to any style of home or public place.

Available in transparent crystal, smoke grey, straw yellow, sunset orange, crystal green, and ice blue as well as matte glossy white and black.

List Price: \$450.

Prices are subject to change without notice.
