Eames® Molded Plywood Dining Chair Wood Base

Designer

Charles and Ray Eames

Original Production Date

1946

Design for the Environment

1% recycled content; 2% recyclable

Warranty

5 years

The technique Charles and Ray Eames invented to mold plywood veneer into gentle curves resulted in an inviting chair of contoured comfort—and the foundation for a major movement in modern furniture design. The chair, which comes in both dining and lounge heights, adapts easily to a number of settings that require refined, enduring, and versatile seating.
