**ERNESTO GISMONDI**

---

The father of Artemide, Ernesto Gismondi propelled his involvement in the Memphis Design movement into profoundly revolutionizing the field of lighting design in both Italy and the world.

Born on Christmas Day, Gismondi began his career as an Aeronautical Engineer. Bringing industrial concepts, materials and finishes into lighting designs for both domestic and public space underlines Gismondi's adherence to meaningful innovation. Recognizing his international contributions to the field of lighting manufacture, he was awarded a Compasso d'Oro lifetime achievement award in 1995.

**DANIELE MOIOLI**

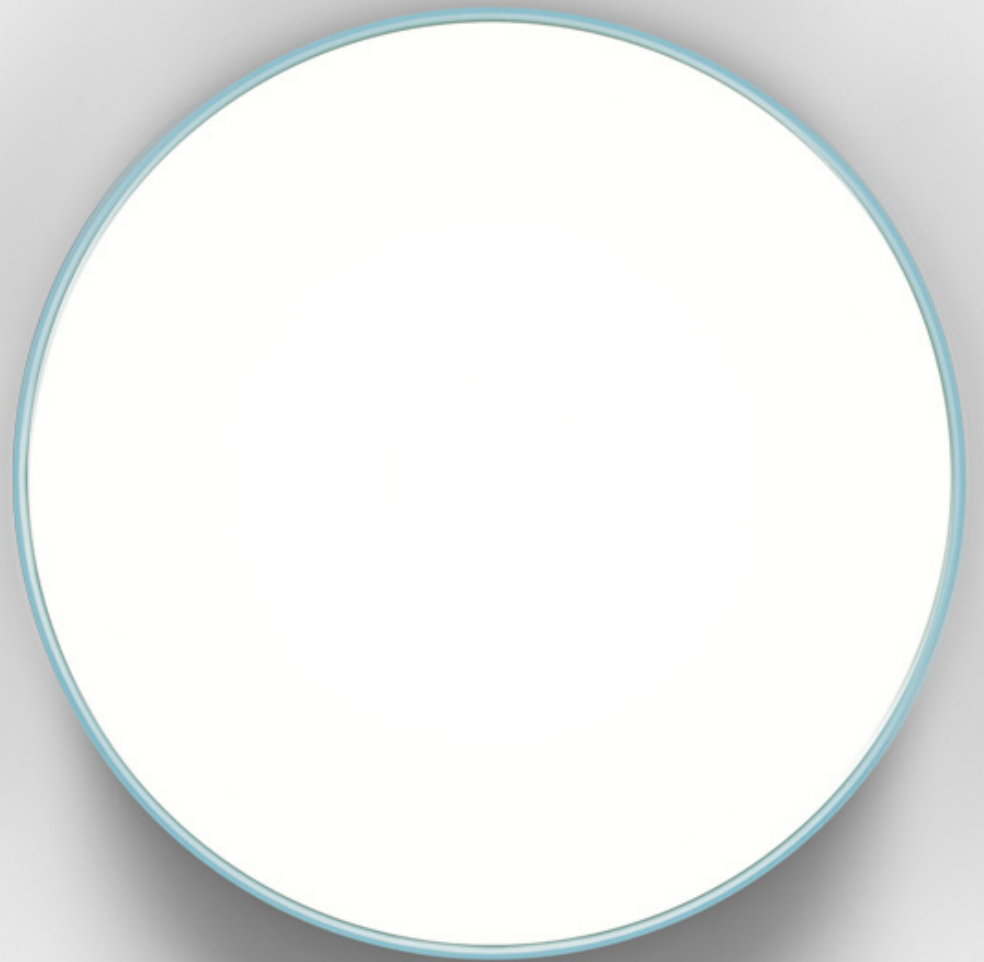

---

Moioli has been working with Artemide for over 20 years, and is the current Design Division Director. He has designed several products with Michele de Lucchi, including the Logico Garden.

## MINIMAL

---

Febe's minimal design ensures maximum LED light performance strong enough to light up an entire room. Its simple yet strong presence can fit any space and is especially suited for the home.

## ACCENT

---

A splash of orange, turquoise, dove grey and white is visible around the side of the colored frame, adding a subtle design accent.

## OPTICS

---

An optical engine produces an a uniform and comfortable light emission, with lenses on each LED that widen the emission immediately near the source.
