**KLAUS BEGASSE**

German-born designer Klaus Begasse runs a multi-disciplinary practice in Stuttgart. His organic-inspired Reeds are a modular, flexible outdoor product for Artemide.

## DISCREET

---

A discreet light fixture, Cuneo's flat top and elliptical light emission engulfs floors, spacious areas, and gardens with wonderful side lighting.

## TECHNOLOGY

Featuring elliptical light emission from high-performance LEDs, Cuneo understands energy and efficiency. While gracing exteriors with its ambient light, the fixture's LED technology ensures environmental friendly lighting and durability.

## VERSATILITY

---

Cuneo's availability in floor and wall (where the fixture can be mounted upward or downward), and grey white or anthracite grey finishes make any commercial or residential exterior come together with consistency and grace.
