

RINGO

by Matteo Zorzenoni

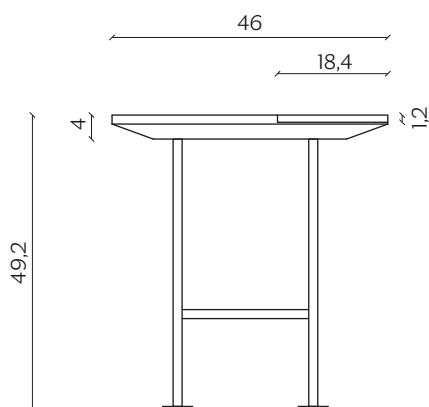

Ringo è un progetto di condivisione. Il piano viene spartito tra il frassino e il marmo, due materiali diversi, ma complementari. In due dicono sia meglio, ma per i puristi, Ringo è disponibile con il piano interamente in legno.

Ringo is a project based on the concept of sharing. The top is divided into two parts, one made of ash and the other of marble, two different, yet complementary materials. They say two's better than one, but for the purists, Ringo is available with an all-wood top.
